Resist the urge to take the bait (even if they’re so wrong)
Resist the urge to “own” them (even if it’s so easy)
Look them in the eye, and calmly say “You are not helping anyone. Please leave.” Say it as many times as needed.
If you feel your safety is threatened PLEASE find someone with a walkie-talkie. We will help

If approached by counter protesters
They want to portray you as violent and irrational.
If they succeed, it hurts our cause.
